## Arts and Education Stream

### Fact sheet for Schools

---

#### How can schools access arts activities?

- Search for performances or workshops being offered by Queensland artists and companies in your area by visiting [www.youthtouring.org.au](http://www.youthtouring.org.au)
- View the websites of artists and companies for more information and book direct with them.
- You can also deal directly with arts companies or artists you know or who send information to your school about their performances or workshops.
- Let the school office know to pass this sort of information along; often all the information gets sent to the Principal.
- Groups of schools can apply together for a certain artist or company to tour to their area. If you would like advice on how to do this please call 07 3034 4016, toll free 1800 175 531 or email [investment@arts.qld.gov.au](mailto:investment@arts.qld.gov.au) .
